eDynamic's SharePoint Solution for North Hennepin Community College - a summary

North Hennepin Community College (NHCC): The Minnesota State Colleges and Universities system is the seventh-largest system of higher education in the United States. As a member of the Minnesota Colleges and Universities system, NHCC currently serves more than 15,000 students, and is one of the largest public two year colleges in the state. NHCC chose eDynamic to deliver an end-to-end Intranet and Enterprise Content Management System including their website, intranet, enterprise search and a host of applications.

eDynamic is helping NHCC transition from an outdated and hard-to-navigate content management platform to a formidable, new SharePoint Intranet & Sitecore CMS with solid architecture. This will enable dynamic Web experiences for NHCC site users, enterprise collaboration, document management & unparalleled process efficiencies for NHCC.
